Covid-19 Guidance for Full Opening September 2020

RA100 V2.1

Suspected or confirmed cases of COVID-19 must be reported to the local Public Health England (PHE) Health Protection team on 0300 303 8162 (press Option 1, Option 1). This will enable you to discuss the outbreak control measures that are needed and the information to be communicated to others. You should also email the school priority alert mailbox (educate.schoolspriorityalerts-mailbox@devon.gov.uk) to ensure the DCC Education team also know promptly.

Plan additional 'wellbeing' support for children who may return with mental health/pastoral issues.	CF/LW
Breakfast and after school club to commence. Pupils should be kept in their bubbles where they can at separate desks. After school club should be outside as much as possible. Both will adhere to the main risk assessment.	AT/JW/SDu/MK
If a child needs to be sent home with symptoms, we would advise to get a test to enable them to come back which the school would ask to see evidence of. 10 day isolation for anyone with symptoms. Pupils, staff and other adults do not come into the school if they have coronavirus (COVID-19) symptoms or have tested positive in at least the last 10. Track and trace will be adhered to. Other members of their household (including any siblings) should self-isolate for 14 days from when the symptomatic person first had symptoms.	AT/LW
Headteachers will have the discretion to decide whether to ask staff or visitors to wear, or agree to them wearing face coverings in these circumstances.	AT
Based on current evidence and the measures that schools are already putting in place, such as the system of controls	

	and consistent bubbles, face coverings will not be necessary in the classroom even where social distancing is not possible. Face coverings would have a negative impact on teaching and their use in the classroom should be avoided.	
Classrooms/Learning	A T and TA area will be created at the front of each class for staff to teach from, maintaining social distancing where possible at all times. ACTION – create zones in each classroom	LW/AW
Planned return to normal curriculum in all subjects by Summer Term 2021	Substantial modification to the curriculum may be needed at the start of the year, so teaching time should be prioritised to address significant gaps in pupils' knowledge with the aim of returning to the school's normal curriculum content by no later than summer term 2021. (see recovery curriculum document)	AT/LW/class teachers
Suspension of some subjects for some pupils in exceptional circumstances.	Schools should be able to show that this is in the best the interests of these pupils and this should be subject to discussion with parents during the autumn term. They should also have a coherent plan for returning to their normal curriculum for all pupils by the summer term 2021 (see recovery curriculum plan).	AT/LW/class teachers
Music activities	Schools should note that there may be an additional risk of infection in environments where you or others are singing, chanting, playing wind or brass instruments or shouting. This applies even if individuals are at a distance. Schools should consider how to reduce the risk, particularly when pupils are playing instruments or singing in small groups such as in music lessons by, for example, physical distancing and playing outside wherever possible, limiting group sizes to no more than 15, positioning pupils back-to-back or side-to-side, avoiding sharing of instruments, and ensuring good ventilation. Singing, wind and brass playing should not take place in larger groups such as school choirs and ensembles, or school assemblies. Singing should not be done loudly!	AT/LW/class teachers
	Staff can take books home to mark etc. Regular hand washing and wiping.	Class teachers

Classrooms and all used areas will be cleaned regularly throughout the day. Commercial cleaning company will be used regularly for deep cleans. Bins to be emptied throughout the day. ACTION AW to create cleaning schedule Discuss with cleaning contractors or staff the additional cleaning requirements and agree additional hours to allow for this. Ensure cleaning products being used are suitable and that adequate supplies of cleaning materials are available. School supplies to be used.	AW
iPads and laptops will be disinfected after every use by	Teachers
Teachers and TAs.	
Two children will sit at a desk beside each other facing forward. Individual desks are preferable and spaced as far apart as possible so that face to face seating is avoided. They will also receive their own pen/pencil/equipment. ACTION – labels to be made	Class teacher
Classroom furniture could be reduced to make more room. No pillow, bean bags or rugs to be used. ACTION – remove items	Class teacher
Rooms to be kept well ventilated where physically possible, adhering to Fire Safety and Safeguarding of children.	Class teachers
Toileting will be staggered to aid social distancing and taken by a Teacher or TA to sure that it is not too busy to use.	Class teachers
Library will be re-opened. Books need to be quarantined. 72 hours for plastics. Reading books can go home. Children not	AW/class teachers

	to enter the library to begin with as this will be a mixing of bubbles. SP will collect books from classroom for returns in a box and then and a selection of books for children to choose from for new. Requests for books also.	
	RWI will need to be whole class to avoid pupils moving between too many bubbles. Split between teacher and TA in class where possible or follow reception model of a continuous provision and targeted groups (see RWI action plan)	BE/class teachers
	Nursery ratios to be applied at all times.	AT/BE/nursery staff
	Normal school attendance registers will resume and attendance is mandatory. Penalty noticing will re-commence.	AT/RW/AW
Staff measures to reduce contact and transmission	PPA can commence. Where staff are needed to work across bubbles, they should try and keep their distance, ideally 2m from staff and pupils and should avoid face to face contact and minimise time spent within1m of anyone. Extra hand washing.	Class teachers/HLTAs
Anxiety levels of staff and community causing breakdown in staffing ratios, compromising group sizes.	Share RA with staff. If appropriate see GP or OH advice. Complete individual risk assessment for staff including vulnerable groups where appropriate.	AT/AW

Insufficient staff capacity to deal with increased numbers of pupils-shortage of teachers to maintain staff to pupil ratios	If there are any shortages of teachers to teach the number of classes, appropriately trained teaching assistants can be allocated to lead a group, working under the direction of a teacher. Careful planning of the year groups/classes should be undertaken based on staff availability.	TAs
	PE-contact sports avoided. Encourage PE to be outside where possible. Regular cleaning of equipment.	KH
	Implement recovery curriculum.	AT/LW
	Clubs can recommence but try to keep in bubbles where they can. Outside where possible. Sports coaches can be used.	Staff
	Reception-address gaps in language, early reading and maths, phonics and vocabulary and follow new early adopter for reception.	AT/LF/BE/CW
	Assemblies will continue to be virtual and played to children live through Microsoft Teams.	Teachers/SDu/GS rota
	EYFS-use the dishwasher to clean toys daily. Outside space should be used as much as possible. No soft toys and toys with intricate parts. Regular washing, cleaning and disinfection. Sand play can commence.	EYs staff and AT

	Nursery to be in groups of no more than 16 at a time. Second EYs classroom to be created next to AT office.	EYs staff
	No toys to be brought in from home.	AT and class teachers
	For individual and very frequently used equipment, such as pencils and pens, it is recommended that staff and pupils have their own items that are not shared.	Teachers and TAs
	Books and games can be used within classes. Shared within own bubble and cleaned regularly.	Teachers and TAs
Contaminated surfaces spreading virus.	Classroom based resources can be used and shared within the bubble. Resources need to cleaned frequently. AW to ensure wipes in each classroom.	Class teachers and TAs/AW
	In the event of wet weather, children will still go outside unless it is torrential weather to enable classrooms to be cleaned. In the event of torrential weather, the T or TA can clean the areas needed with wipes.	Teachers TAs
	Residential-advised against. No overnight visits in the autumn term. Money to be claimed back and parents reimbursed.	AW/JB contact Y6 provider to look at options

Lack of governor oversight during the COVID-19 crisis leads to the school failing to meet statutory requirements	The governing body continues to meet regularly via online platforms. The governing body agendas are structured to ensure all statutory requirements are discussed and school leaders are held to account for their implementation. The Headteacher's report to governors includes content and updates on how the school is continuing to meet its statutory obligations in addition to covering the school's response to COVID-19. Regular dialogue with the Chair of Governors and those governors with designated responsibilities is in place. Minutes of governing body meetings are reviewed to ensure that they accurately record governors' oversight and holding leaders to account for	AT/KQ/Governors

	areas of statutory responsibility.

	No staff to be on site for the first 4 weeks of the summer holidays.	AW/cleaners/caretakers
	See maintenance and servicing and cleaning checklist for more details.	AW
Toilets being overcrowded	Limit the amount of pupils using the toilet at one time, Visit one after the other if necessary. Pupils to be escorted by TA or T. Regular cleaning of toilets and children need to be encouraged to wash hands after.	Teacher and TA
	Review fire risk assessment taking into consideration changes within the layout, and the impact this might have on fire evacuation and escape routes. Review where appropriate fire evacuation routes and assembly points to ensure that social distancing guidelines are being met.	AW

Water hygiene – management of legionella	Review the water hygiene management plan. Ensure that agreed regimes for flushing and monitoring of temperatures have been maintained throughout any period of closure / partial opening. Where regimes have not been maintained ensure that cleaning and disinfection has taken place prior to reoccupation as per government guidance Managing School Premises during the Covid-19 outbreak.	AW/caretakers
Management of premises related risks e.g. asbestos, delayed statutory testing (LOLER)	Communication arrangements to ensure that requirements and controls are understood by responsible persons (e.g. signing in processes for contractors). If equipment is not within statutory test periods (e.g. lifts and hoists) then it should be taken out of use until the inspection and test can be completed.	AW/caretakers
Ventilation to reduce spread	Open windows and prop doors open, where safe to do so (bearing in mind fire safety, security and safeguarding). Where mechanical ventilation is present, recirculatory systems should be adjusted to full fresh air. If mechanical ventilation systems cannot be adjusted to full fresh air systems should be operated as normal. Ventilation to chemical stores should remain operational.	All staff/AW/caretakers
